S.B. Civil Writ Petition No.2112/04
Hargovind Verma Vs. State & Ors.

Date of Order : 18/04/2006

Hon'ble Mr. Justice Ajay Rastogi

Mr. R.P. Singh Choudhary, for petitioner

Instant petition has been filed against the order dt.20th January, 2004 [Ann.14] whereby his appeal was disposed of by the Kota Central Co-operative Bank Ltd., Kota.

Counsel submits that u/s.37 of the Co-operative Societies Act, 2001, the remedy of appeal has been provided. Accordingly, he wants to withdraw the writ petition for filing appeal provided under the Act. The same stands dismissed as withdrawn.

Counsel further submits that since the petition remain pending before this court that may create some problem in entertaining the same because of delay. In my opinion, if such appeal is filed, the same will be considered by the respondents taking note the fact about pendency of present writ petition while disposing of application if filed u/s.5 of the Limitation Act.
